Accessibility Resource Center makes every effort to assist students with disabilities who need access to lecture slides. Students agree to comply with the procedures outlined below. Adherence to these procedures allows the full opportunity for academic freedom for the professor and fellow students.

1. The lecture slides provided to me by the professor as an accommodation must be used only for my personal private study, and must not be reproduced, passed on, or made available to any third party.
2. I agree to delete or otherwise destroy the slides once they are no longer needed.

I acknowledge and agree to the terms and conditions of this agreement.
